

DRIVEN BY POSSIBILITY™

# MEET MXT. THE NEXT GENERATION OF PREMIUM HYDRAULICS.

WITH STANDARD AND XTRATUFF PLUS COVERS

## PERFORMANCE WINS

Lighter weight means improved equipment performance and fuel efficiency.

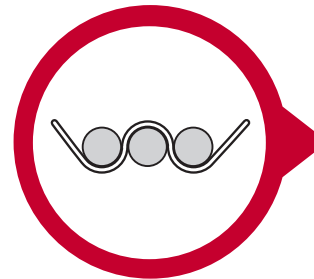

## YOUR PEOPLE MATTER

More ergonomic installation and easier lifting for the people you rely on to make business happen.

## OPERATIONS DEMAND EFFICIENCY

Faster routings, lower material handling costs, and reduced hose lengths – all from MXT.

## SIMPLIFIES AND EXCEEDS SPECS

MXT not only meets but exceeds multiple industry specifications with one hose.

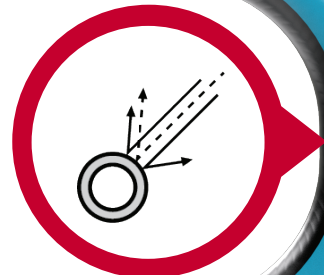

## LIGHTER WEIGHT AND MORE FLEXIBLE

Materials and Process Expertise deliver a lighter and more flexible product.

## OPTIONAL XTRATUFF PLUS COVER

Provides increased abrasion and ozone resistance.
